What is SALT all about? & A look back at Fictional Character Day!

WHAT IS SALT?

Leah Ludwig - President

The first few months of school have gone by quickly, and with them a handful of SALT events that all went well! The Student Action Leadership Team's main task is to organize school events that encourage a sense of community within the student body and boost school morale, while glorifying God. SALT also provides an opportunity for the members to build important leadership and team-oriented skills, and allows students to use these skills and talents to help the school community and glorify God. We hope that the rest of the school year goes as well as the first three months did!

FICTIONAL CHARACTER DAY!

Bryan Veenendaal - Events Coordinator

Recently Tyndale had its very own Fictional Character Day! All students from kindergarten to Grade twelve participated in this fun event. You could dress up as any character you wanted, as long as they were fictional, hence the name. The day was a huge success and we would like to thank all the students for participating, and also the parents who helped their children to create wonderful costumes. We hope to host many more dress up and other fun events in the future. With love and thanks, Bryan
